

SUPPLY COMPANY

PRODUCT LINES

Serving Mid-Missouri, Eastern Missouri & Southern Illinois

Price Industries

Air Distribution Products

- VAV & fan powered terminal units
- Commercial, industrial & residential GRD's
- Fan & blower coil units

- Critical Environments
- Ultrasuite OR ceiling system
- Noise control products
- Displacement & air purification
- Underfloor systems
- Controls

POTTORFF

Pottorff

Louvers & Dampers

- Architectural louvers
- Control & back draft dampers

- U.L. fire, smoke & fire/smoke
- Access doors and panels

Twin City Fan

Ventilation Equipment

- Commercial & industrial ventilation
- Lab & fume exhaust fans

- Make-up air systems
- Centrifugal & propeller ventilators
- Fiberglass fans

ANTEC Controls

Critical Environment Airflow Control

- Venturi air valves
- Room pressure monitors/controls
- Fume hood controllers

Thermaduct

- Clad & insulated outdoor & indoor ductwork
- Rectangular, round & oval
- Kingspan Koolduct Insulation

Vibro-Acoustics

- Vibration isolation systems
- Seismic isolation systems

MacroAir

- HVLS Ceiling Fans
- High volume, low speed circulatory fans

QMark - Marley Engineered Products

Electric Heating & Ventilation

- Ceiling, unit & wall heaters
- Baseboard, convactor & radiant panels

Advanced Radiant Systems

Energy Efficient Heating Systems

- Radiant tube heating
- Gas fired - low intensity
- Infrared heating systems

Car-Mon Products Inc.

Vehicle Exhaust Systems

- Vehicle exhaust system hose reel
- Fume capture
- Dust collection & filtration

FabricAir

- Fabric air displacement duct systems
- Growth facility rack flow system
- VarioDuct™

Selkirk

Commercial/Industrial Venting Products

- Positive pressure breeching & stacks for boilers, engine generators & grease

Thermolec

- Electric duct heaters
- Fan-less make-up air units

PHP System/Design

- Roof pipe & equipment support systems

Steril-Aire

- HVAC energy germicidal UVC solutions

Airius

Thermal Equalization-De-stratification

- De-stratification fans
- Creating uniform temps throughout building & reducing energy costs

Mars Air Systems

- Air curtains
- Maintain conditioned space while repelling outdoor contaminants & reducing energy costs

- The Pate Company**
Curbs & Rails
- Equipment rails
 - Roof curbs

- Curbs Plus**
Curbs & Rails
- Roof curbs & roof hatches
 - Isolation curbs & rails

- ACME Engineering Products**
Gas Detection
- Wireless Gas Detection Networks
 - RS-485 Gas Detection Networks
 - Stand Alone Gas Detectors
 - CO₂ Monitor Controller

- JencoFan**
Ventilation Equipment
- Centrifugal roof, Sidewall, Utility, & Propeller Ventilators
 - In-line/ceiling & cabinet fans
 - Gravity roof ventilators

- Broan**
Ventilation Fans
- Ceiling ventilation fans & accessories
 - Residential range hoods
 - Attic & whole house ventilation

- FlorAire**
Ventilation Products
- Exhaust fans
 - Direct fired heaters
 - Make-up air units

- Delta**
Energy Star Efficient Fans
- DC brushless motors with low sones

- Metropolitan Air Technology**
Remote Operated Dampers
- Complete line of Roto-Twist cable operated & remote dampers

- Plasticair**
Corrosion Proof Equipment
- FRP fans
 - Perchloric acid exhaust systems (moving parts outside of airstream)
 - Scrubber fume hoods, wet scrubbers & mist eliminators

- Acudor**
Access Doors & More
- 37 styles of access doors
 - 15 styles of roof hatches & smoke vents
 - 10 styles of floor doors
 - Safety accessories & fixed shaft modular ladders

- United Energetech**
- Architectural grilles & louvers
 - Concentric diffusers
 - UL dampers
 - Curbs

- Aire Technologies Inc**
Radiation Dampers & Louvers
- Ceiling radiation dampers
 - Fire & leak rated dampers
 - Louvers & ventilators

- Eco Foot**
- Non-penetrating mounting solutions for HVAC equipment, duct & pipe

- Reznor**
Heating & Ventilation Equipment
- Gas fired unit heaters, make-up air units & energy recover units

- Sterling**
Heating Products
- Gas fired unit heaters
 - Hot water heaters
 - Cabinet blowers

- AirConcepts Inc**
Specialty Air Devices
- Special application diffusers
 - High flow nozzles

- HAYS Fluid Controls**
- Automatic flow control valves

- JPL**
- Flexible duct
 - Duct insulation

- ACME Manufacturing Corp**
Sheet Metal Ventilation Products
- Trimline hoods & ventilators
 - Louver line vents & penthouses
 - Roof curbs

- Hart & Cooley**
Flex Duct & Air Devices
- Insulated flex duct
 - Commercial & residential air devices

- Flexmaster**
- Flexible duct & sheet metal fittings
 - Access doors & accessories
